Dear Patrons of the Arts,

Thank you so much for coming to this performance!

Our mission statement for the Performing Arts Department states that we believe in the transformative potential of the arts. We believe that the students on stage and behind the scenes represent the best of what our department has to offer, and we are exceptionally proud of them.

Tonight's performance is the culmination of many hours of work and rehearsal, and, under the direction of our outstanding staff, will be a transformative experience for the students, and hopefully for you as well!

Thank you for your support of live music and theatre.

We hope you enjoy the show!

Sincerely,

Grade 6 Concert Band: Featuring the Families

Chronicles.....

..Larry Clark

Chronicles is a piece with character! Featuring a variety of articulations and a brisk tempo, you all are in for a strong performance from every section of the ensemble.

Tallis

Canon.....

.....Tallis

Featuring a melody by Thomas Tallis, this canon features our percussionists on bells! You'll also hear the band playing in four parts that (while interchangeable between the various sections) will show they can stay together as a group through blend and balance as well as a series of fermatas (musical holds).

Ode To

Joy.....Beet

hoven

After our parents, the 6th grade will play a four-part chorale version of "Ode to Joy" from Beethoven's 9th Symphony. Beethoven was almost completely deaf when he wrote this melody in 1824, one of the most recognized in all of classical music!

Talons of

Fire.....R.

Grice

Talons of Fire presents rich textures that feature the whole band. This piece shows the growth of the whole band, combining elements of articulation, style and tempo changes.

Grade 7 Concert Band: Spotlight on our sections!

Woodwind Feature: The Star Spangled Banner.....F. S.

Key

Please stand.

Dark Ride.....R. Standridge

Using notes and pitches that are a little more rare for the kids at this age, this piece depicts a fall or Halloween haunted hayride through a dark forest. Listen closely for the "accelerando" (increase in tempo) at the end!

Saxes Feature: Theme from Jurassic Park.....J. Williams / arr. Amanda

Morgan

You will hear alto saxophone, tenor saxophone and baritone saxophone blending together to recreate John Williams' classic theme.

Brass Feature: Spongebob Squarepants.....M. Harrison / arr. Amanda

Morgan

The classic theme of Spongebob Squarepants reimaged as a chorale. Listen for blend, balance and rich pitches along with the familiar "Who lives in a pineapple under the sea?" theme!

Mallet

Maniacs.....J.

Campello

Featuring our mallet section, you may hear this tune on a Merry Go Round or carnival ride of the same sort. If you watch and listen to the back of the ensemble, you will notice all kinds of fun and silly percussion sounds as well.

Percussion Feature: Escape From Pirate

Cove.....J. Kane

A vision of pirates searching for treasure, and escaping from danger on the high seas. All percussion based!

Abandoned Treasure

Hunt.....R. Grice

A slow lyrical statement represents an abandoned island. As the tempo changes, the treasure hunt is on!
