Welcome to the Soule School Chorus Concert!

An Ode to Friendship

Welcome to the annual Soule School Spring Concert! The students have worked incredibly hard to put this concert together and we are all so thankful that all of you get to be a part of this experience. Throughout the last four months the members of the Soule School Chorus have worked to become more literate, expressive, and informed musicians. It has been an honor and a privilege to work with each one of these talented students and I hope that you enjoy the work that we have put in. I would also like to take the time to thank all of you for coming out and supporting our program tonight. Without parental and community support the Salem music program would not be able to flourish the way it does and we are so thankful for each and every one of you. With that being said I'd like you to sit back, relax, and enjoy the Soule School Spring Concert!

Warmly,
Rebecca Pacuk

Tonight's Program

This Is Me.....Words and Music by Ben Pasek and Justin Paul

Arranged by Audrey Snyder

This is Me is from the hit musical movie "The Greatest Showman". Celebrating the spirit that was P.T. Barnum and recognizing the birth of show business, our opener by Broadway sensations Pasek and Paul is for everyone who wants to stand out, celebrate who they are and step out of the shadows into the spotlight.

Soloists: Chloe McSheehy, Chanelle Mazraani

Our Door Is Always Open.....Traditional French Folk Song

Arranged by Rebecca Pacuk

Our Door is Always Open is a translated French folk song. This piece is a canon, or a piece of music in which two or more voices (or instrumental parts) sing or play the same music starting at different times. We have used this song to practice vocal independence.

Soloist: Triston Forbes

Count on Me.....Words and Music by Philip Lawrence, Ari Levine, & Bruno Mars

Arranged by Andy Beck

Count on Me is a friendship song by Bruno Mars from his debut album Doo-Wop and Hooligans. This song has an incredibly positive message and has allowed us to explore two part harmony.

Soloist: Mia Rosario

Home.....Words and Music by Greg Holden and Drew Pearson

Arranged by Alan Billingsley

The song "Home" is the debut single from American Idol Season 11 winner Phillip Phillips and was first performed on the season finale. It has gone on to hit number 10 on the Billboard Hot 100 list and sell over 5 million copies in the United States. This song will be sung by the Soule School Select Chorus which meets during their recess time once a week.

Ubuntu.....
by Mark Hayes

Ubuntu is a South African concept meaning that "a person is a person through other people". Written by Mark Hayes, this song explores the communal feeling of singing

and being a team. This song begins as a traditional call and response song and continues on in unison with moments of harmony.

Soloists: Carli Demers, Haydin Rau
