Dear Patrons of the Arts,

Thank you so much for coming to this performance!

Our mission statement for the Performing Arts Department states that we believe in the transformative potential of the arts. We believe that the students on stage and behind the scenes represent the best of what our department has to offer, and we are exceptionally proud of them.

Tonight's performance is the culmination of many hours of work and rehearsal, and, under the direction of our outstanding staff, will be a transformative experience for the students, and hopefully for you as well!

Thank you for your support of live music and theatre.

We hope you enjoy the show!

6th Grade Concert Band

God Bless

America.....Irving Berlin

In the spirit of Memorial Day, we open with this Patriotic hymn by Irving Berlin!

Going Home.....Robert
W. Smith

As an ensemble, we've been focusing on "dotted quarter, eighth" rhythms. "Going Home" by Robert W. Smith focuses on blend, balance and features many of these "dotted quarter, eighth" rhythms we've worked on performing accurately. The melody references an American Spiritual hymn, and also appears in Dvorak's "New World Symphony."

Battle Song.....Randall D.
Standridge

We show off our attention to articulation and blend and balance with Standridge's "Battle Song." This aggressive, high intensity piece closes out the 6th grade section of our program.

7th Grade Concert Band

Imagine.....John Lennon / arr. Richard L.
Saucedo

We open the 7th Grade portion of our program with John Lennon's "Imagine." Originally released in 1971, Richard Saucedo scores this familiar melody for concert band.

The Magic of Harry Potter..... arr.
Michael Story

We have worked so hard to prepare "The Magic of Harry Potter!" Michael Story has compiled nine different themes from the J.K. Rowling/Warner Brothers' fantasy franchise in his arrangement. Each theme has its own character and style, many with changes in tempo, key signature or time signature!

Groovee.....Richard
L. Saucedo

We close with a piece that explores Concert G minor. "Groovee" is an exciting and energetic layering of the different sections in our ensemble. Each group has a different "groove," all of which morph together to create a jam session for our finale.
